International Take A Friend Snowmobiling Week

February 10th through 19st is International Take A Friend Snowmobiling Week! Do you know someone who doesn't snowmobile but might be interested in trying it? Turns out there's many people in our community who are interested in snowmobiling but just aren't sure where to begin. This is your chance to dust off any extra snowmobiling gear you can find and invite your friends, family, neighbors and co-workers out for a beginner snowmobile ride and show them what it's all about. Take them out on your own time or bring them along to the K.S.A.'s annual Take A Friend group snowmobile ride this Saturday, 17 February 2024. Details are on our website at <https://ksa.yk.ca/coming-events/...>

Winter Rides

We have some exciting group snowmobile rides coming up soon, and you're invited! Bring your friends to our annual Take a Friend Snowmobiling group ride on February 17th, join us for a trip up the Livingston Trail on March 9th, and please let us know where else you'd like to go for a ride. Check out our Events page at <https://ksa.yk.ca/coming-events> for details.
