

Klondike Snowmobile Association

September 2024 News

Welcome to the Klondike Snowmobile Association's September 2024 news update! For all the latest Yukon snowmobiling news, events, trail conditions, safety tips, and more, please check out our website at <http://ksa.yk.ca>, like us on [Facebook](#), and follow us on [X](#).

It's Membership Season

Fall has arrived in the Yukon, and that means the nights are cold, the leaves are colourful, and your K.S.A. membership is expiring!

All 2023/2024 Klondike Snowmobile Association Memberships will expire on 30 September 2024, which means if you want to continue supporting Yukon snowmobiling and to continue enjoying our great membership benefits you will need to renew your membership before then.

Renew online and pay by e-transfer any time at <https://ksa.yk.ca/membership>, or alternatively you can mail us a membership form and cheque or drop off a membership form with cheque or cash at Sport Yukon in Whitehorse.

If you have already renewed for 2024/2025 season we'd like to thank you for your continued support as we look forward to another season of working for you!

Summer Trail Work Update

Most multi-use trails around the Yukon are set to be ready for winter enjoyment as usual. The work on the Copper Haul near Fish Lake Road is still ongoing but is expected to be completed before snowmobiling season. Farther south on the Copper Haul fire break work is also still ongoing for the next few years, but we have been assured that the trail will still be passable for snowmobiling and other winter activities.

K.S.A. Annual General Meeting

The Klondike Snowmobile Association's 2024 Annual General Meeting will be held on Monday 04 November 2024, and all are welcome to attend. Meeting starts at 19.00 at Sport Yukon, board room 2, use centre door.

We will be reviewing the past year, presenting a brief overview of our current status and financials, electing our 2024/2025 board of directors, and then discussing the upcoming snowmobile season.

If you are interested in volunteering with us, getting more involved with your local snowmobiling community, or just want to know more about us, our AGM is a great place to start! Please contact us any time for more information.

Spread The Word

New members are always welcome, and now is the best time of the year for new members to join!

Our work is done by volunteers and we rely on membership fees to cover the materials, equipment and operating costs. Membership fees also help support snowmobiler resources such as maps, signs, trail reports, education and safety programs.

More members also means a stronger voice when we represent and advocate for Yukon snowmobilers at municipal, territorial, national and international levels.

In exchange for your support we continue to offer a long list of membership benefits, which are available year-round to all K.S.A. members, no snowmobile required! Benefits include discounts on fuel, food, hotels, clothing and more, as well as newsletters, group ride invites, etc.

Help support Yukon snowmobiling by encouraging your family, friends, neighbors and co-workers to also join the Klondike Snowmobile Association!

New members can learn more about us and sign up any time on our website at ksa.yk.ca.
