## Ride Safe, Ride Sober

Zero tolerance we say, 'till we're done for the day. Alcohol and drug impairment continues to be a factor in nearly half of all fatal snowmobile accidents in Canada.

This holiday season please ride safe, and ride sober.

## Group Snowmobile Rides

We're planning more fun and exciting group snowmobile rides this season! For dates and details please visit our Events page at <https://ksa.yk.ca/coming-events/>.

First ride will be mid December in the Whitehorse area, a good opportunity to get to know some local trails. January's ride is still to be determined, potentially in Dawson City area. February bring your friends and join us for our annual Take A Friend Snowmobiling group ride, details are on our Events page. March we are considering a Dawson Overland Trail ride.

We're always open to suggestions so please let us know where you want to ride this winter... <https://ksa.yk.ca/contact/>

## CTNHS Winter Use Schedule

The 2025/2026 Chilkoot Trail National Historic Site Winter Use Schedule has been published. You can find a copy on the [Parks Canada](#) website and we've also posted the dates on our [Events](#) page for easy reference.

As usual, every third weekend from December through April has been designated as Non-Motorized Only in the Chilkoot Trail National Historic Site (CTNHS), also commonly known as the Skagway Summit and the White Pass area. On these weekends snowmobiles are not allowed anywhere within the CTNHS, including the Log Cabin parking lot, on the Friday, Saturday and Sunday. All other days are considered multi-use with snowmobiles allowed.

This schedule is established annually in collaboration with several stakeholders, including snowmobilers, as part of Parks Canada's CTNHS Winter Use Strategy. Please respect this schedule, ride safe, and have fun out there!

To learn more or to contact Parks Canada with any questions or comments please visit their website at <https://parks.canada.ca/lhn-nhs/yt/chilkoot/activ/hiver-wint...>

## Spread The Word!

Volunteers are working hard for snowmobilers, year-round. There are over 700 snowmobile clubs and associations in Canada. The vast majority of them, including the Klondike Snowmobile Association, are volunteer operated.

Joining your local snowmobile club is a great way to support snowmobiling and help these volunteers. Another great way to help out is to spread the word to your family, friends, co-workers and riding buddies. Remind them that volunteers are working for them and encourage them to sign up.

Klondike Snowmobile Association volunteers maintain hundreds of kilometers of multi-use trails for everyone to enjoy, they spend countless hours advocating for Yukon snowmobilers, they host events and rides for snowmobilers, and they support and promote snowmobile safety and education. You can help support all of this simply by purchasing an annual membership and encouraging everyone you ride with to do the same.

In exchange for their support, they'll get access to all of our membership benefits, year-round. The discounts on fuel, food, gear, hotels and more will more than cover the cost of their membership.

Everything they need to sign up and get started can be found on our website at [ksa.yk.ca](https://ksa.yk.ca)!

## New to Snowmobiling?

Welcome to snowmobiling! We've recently set up a new page on our website to help new snowmobilers get started. Have a look and let us know what you think. <https://ksa.yk.ca/membership/newsnowmobilers/>

If you have any questions about snowmobiling, where to start, what to buy, where to go, or who to go with, please [contact us](#) any time and our volunteers will be happy to help.

We look forward to riding with you soon!

## Maps

Many of the Yukon's winter motorized multi-use trails are now showing in BRP Go!, a great free app which can be used on your smartphone or directly on the dashboard display of many newer Ski-Doo and Lynx snowmobiles. Head to [the BRP Go! website](#) today to learn more and try it out today.

In addition to BRP Go!, good quality maps of the Yukon's winter-time motorized multi-use trails are also available in the Polaris Ride Command app, and online through City of Whitehorse and Trans Canada Trail.

Visit <https://ksa.yk.ca/resources/maps/> for details and links.

# Grooming Has Commenced!

Now that we have good snow, our groomers are out on the trails working for you.

Want to know where our groomers have been lately? Check out our Current Trail Conditions page any time at <https://ksa.yk.ca/trails/trail-conditions!>
