August 2026 News

Welcome to the Klondike Snowmobile Association's August 2026 news update! For all the latest Yukon snowmobiling news, events, trail conditions, safety tips, and more, please check out our website at <http://ksa.yk.ca>, like us on [Facebook](#), and follow us on [X](#).

Update From The Board

Summer is in full swing throughout the Yukon, but here at the Klondike Snowmobile Association we've already got winter on our brains. We've already started preparations for the 2026/2027 snow season, and we're getting excited for it!

Our grooming fleet is now fully serviceable so when the snow arrives our team of volunteers will be ready to hit the trails with them.

We've been to several meetings over the summer with City of Whitehorse, Yukon Government and others to ensure snowmobilers will continue to have access to a safe, practical and connected trail network.

Our summer volunteers have also been out on the trails working hard for you clearing downed trees, overgrown brush and arranging for new signage on several popular trails. Some outhouse upgrades are next on our summer list.

On top of all our summer chores, we've also begun planning some fun and exciting events for snowmobilers to enjoy this winter. Social events, group rides, and more are coming soon.

We'll be kicking off the season in early November with a combined Annual General Meeting and Snowmobiler Social Night, and you're invited! This year we'll have our AGM at the Yukon Transportation Museum, and we'll be keeping the meeting short and sweet so there will be plenty of time to meet, mingle and get to know some new snowmobiling friends. Snacks and soft drinks will be free, and a bar service will be available through the Museum. Date will be announced soon, so keep an eye on our [Events](#) page!

Want to get involved with your local snowmobile community this season? At this year's AGM we will have multiple board positions coming available and we need volunteers to fill them. Interested? Come on out to our AGM or contact us any time for more information. See you soon!

Membership Renewal Time

Klondike Snowmobile Association Membership renewal time is quickly arriving. Beat the rush and renew online today at <https://ksa.yk.ca/membership/membership-form>!

All 2025/2026 memberships will expire on 30 September 2026. We are now accepting renewals to the 2026/2027 season, and new members are always welcome as well. September is a busy month for our office volunteers, so please send in your renewal early to help us get them all out on time.

New for this season is a slight increase to membership dues. 2026/2027 Klondike Snowmobile Association Memberships are \$25 for a single, \$40 for a group or family, and \$150 for a corporate membership. All taxes and fees are included.

We know nobody likes to see prices increase, however it's been decades since we last increased our prices and inflation has substantially increased our operating costs since then. We hope you understand, we are grateful for your continued support, and we are excited to continue serving Yukon snowmobilers for another season!

Photo Gallery

Snowmobile season only lasts half the year, but true enthusiasts like us are dreaming about snowmobiles all year long.

Have you checked out our Photo Gallery lately? We've got hundreds of Yukon snowmobiling photos on display to inspire your dreams! Check it out today at <https://ksa.yk.ca/photo-gallery>.

Want to show off your snowmobiling hot shots? Send us an email with your best photos attached, and we'll be happy to display them in our gallery for free. Photo copyrights will remain yours.
