

Klondike Snowmobile Association September 2026 News

Welcome to the Klondike Snowmobile Association's September 2026 news update! For all the latest Yukon snowmobiling news, events, trail conditions, safety tips, and more, please check out our website at <http://ksa.yk.ca>, like us on [Facebook](#), and follow us on [X](#).

Membership Renewal Time

Winter is coming, have you renewed your Klondike Snowmobile Association membership yet? All 2025/2026 Klondike Snowmobile Association memberships will expire on 30 September 2026.

2026/2027 memberships renewals are available now through our website. 2026/2027 membership dues are \$25 for a single, \$40 for a group/family, and \$150 for a corporate membership. To sign up or renew please use the online form on our website at <https://ksa.yk.ca/membership/membership-form/>.

In exchange for your continued support we are pleased to offer even more membership benefits and discounts for this year. A current list is posted at <https://ksa.yk.ca/membership/membership-benefits/>.

Yukon Energy Selects Copper Haul Site

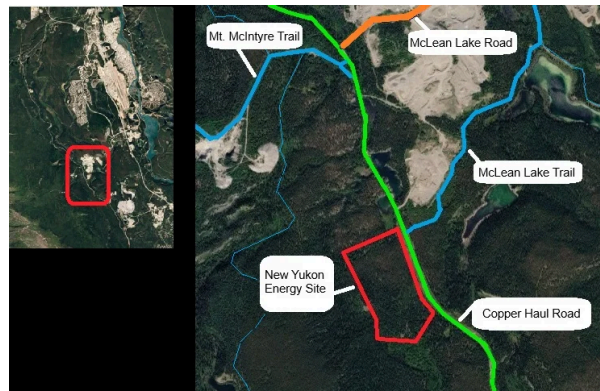

Yukon Energy has selected the proposed Copper Haul site for one of the two new power stations to be built in the next few years. The site selected is on the west side of the Copper Haul Road near the McLean Lake Road intersection.

The site does not directly displace any maintained trails, however it will mean that the gate at the top of McLean Lake Road will move and approximately two kilometers of the Copper Haul Road will need to be plowed for year-round road access to the site.

Yukon Energy has reached out to the Klondike Snowmobile Association and we've already begun discussions regarding the impacts of this project on snowmobilers and on the Trans Canada Trail in general.

Now that the site has been confirmed the Klondike Snowmobile Association and Yukon Energy will be meeting again in the coming months to plan and establish an alternative year-round multi-use corridor that can remain open, practical, and safe to use during the full life span of this project.

Keep an eye on our website news at <https://ksa.yk.ca/news/> for updates!

Upcoming AST Opportunities

There's some exciting new Avalanche Safety Training (AST) courses coming up this winter, and you're invited!

Live4theRush Shred AST is back for another season, and they're planning to ramp things up offering more courses for the motorized community in the Yukon. On 01 October 2026 the first block of the 2026-2027 AST season will open for registration. The first two motorized courses are: February 10-11 (Classroom) & 13th (Field Day) and again on February 24-25 (Classroom) & 27th (Field Day).

We highly recommend all snowmobilers playing, working, or travelling in avalanche terrain take a certified avalanche safety training course. To help encourage snowmobilers to take a course we're working on a special deal for KSA members, so keep an eye on our website and social media for details!

Tag's KSA Discount Now 7%

For the 2026/2027 season Tag's Food and Gas on 4th Avenue in Whitehorse is now offering all Klondike Snowmobile Association members a 7% discount on fuel, up from the long-standing 6% discount that was previously offered.

Thank you Tag's for continuing to support snowmobiling in the Yukon!

A list of all current Klondike Snowmobile Association membership benefits and discounts can be found on our website

at <https://ksa.yk.ca/membership/membership-benefits/>.

Online Membership Form Issues

Hi all!

We've received several reports over the past weeks of renewing members having issues with the credit card payment system in our online membership form.

We've done extensive troubleshooting on the system and the only way our IT volunteers were able to replicate the reported issues was to skip a button on the payment section of the membership form.

Please see below for a quick reference guide on which buttons must be clicked on our online form for the credit card payment to work.

When you select "Credit Card - Online" for payment option and then click "Submit Membership Form" you will then be automatically directed to a third-party credit card payment software, which calculates the total owing based on items 2 through 5 in the tutorial below.

If you experience any issues with your membership renewal please continue to let us know and include as much detail as you can for us to pass along to our IT volunteers. Thank you!

Klondike SNOWMOBILE ASSOCIATION

Type Account Members **Payment**

Payment Information

Please select the following membership type below.

Group / Family

2 card(s) to be issued.
Use this number below if you would like laminated cards.

Membership Options

- 6: This is your total owing. It will automatically update based on what you select in steps 1 through 5.
- 7: Select how you would like to pay.
- 8: When you're all done click here to send in your form.

Annual General Meeting and Snowmobiler Social Night

Coming up in November we have our Annual General Meeting and this year we're combining it with another Season Opener Snowmobiler Social Night.

Date and location will be announced soon, keep an eye on our Events page at <https://ksa.yk.ca/coming-events> for details because you are invited!

This year we will keep our AGM short and sweet with a brief annual summary from the current Board, an election for your 2026/2027 Board of Directors, a quick discussion about the upcoming season, and some question time from the membership.

After the AGM business it's social time! There will be free snacks and soft drinks as well as a cash/card bar on site. Stop by to catch up with old friends, meet some new riding buddies and celebrate the start of a fresh snowmobile season!

All snowmobilers of all skill levels and all backgrounds are welcome to attend.

All Klondike Snowmobile Association members are encouraged to partake in the AGM and have your say for the upcoming season. We do have open seats on the board so if you're interested in doing more for your local snowmobiling community this is a great place to start. [Contact us](#) any time for more information!
