Winter Rides

We're planning several fun and exciting group snowmobile rides this winter, so keep an eye on our Events page at <https://ksa.yk.ca/coming-events> for dates and details!

Our goal for the 2026/2027 snowmobiling season is to host at least one group snowmobile ride per month, and we're also aiming to fine tune our rides to cater to a specific skill level each time, something members have been asking for.

Date, location, skill level, and other relevant information for each ride will be posted on our Events page about a month in advance of the ride day.

Do you have an idea for a group ride? Whether it's a full plan or just a simple suggestion, we'd love to hear from you! Please let us know by e-mail to klonsnow@gmail.com or send us a message on Facebook and our volunteers will do their best to make it happen this year.
